

CHRISTIAN AID WEEK 10-16TH MAY

Donate to Christian Aid

We'll use your donations to help families around the world to overcome poverty and injustice, wherever the need is greatest.

The coronavirus outbreak threatens the health of our neighbours near and far. Together we must respond quickly to help the most vulnerable.

Coronavirus has shown us that our futures are bound more tightly together than ever before. And now it is spreading across the world's poorest countries, putting people living in poverty at great risk.

These people are already facing a lack of water, food and healthcare. Some are homeless. Some are living with underlying health issues such as HIV.

As coronavirus infection rates speed up, they will feel the impacts of the virus deeply. We must respond now.

Coronavirus impacts all of us. But love unites us all.

Christian Aid's response

Together with our local partners, we are working quickly to limit the impact of coronavirus in some of the most vulnerable communities around the world.

- We are drawing on our experience from the Ebola crisis and helping communities to prevent and delay infection.
- We are providing essential soap, water and handwashing training.
- We are ensuring urgent health messages get through to help keep people safe.
- We are working through our networks of church partners and faith-based organisations to reach the most vulnerable at this critical time.

With your help we can do even more.

As this virus spreads across the world, love rises up in response. You've already shown incredible kindness to your neighbours. Now is the time to reach out to your neighbours both near and far.

Your love protects. From storms, from drought, and now from coronavirus. Your love protects our global neighbours battling the spread of this illness. Your love protects. With soap, clean water and medical supplies.

By supporting us this Christian Aid Week, you can reach out and protect more of your neighbours today.
